

## CHARITIES OFFER: Manage IT Learning for FREE!

If You Are a Registered Charity, ALISON Would Like to Provide Free IT Training Courseware AND Learner Group Management Functionality to Aid You in Your Mission!

**Are you offering IT-skills training to your colleagues? Would you like everyone within your charity to become fully IT literate? If so, ALISON as social enterprise, would like to offer this service to you for free!**

In another revolutionary step towards making **all** learning free online, ALISON is releasing **free learning management functionality to complement the highly popular free ALISON ABC IT certification**. Trainers can now monitor and manage group-based learning within your charity for free with ALISON Manager!

### With ALISON Manager you can:

- Create your own online classes or groups of learners.
- Track their progress and assessment results.
- Create reports of all learning activity.
- Message your learners and much more...

## No Excuses! Now everyone working in your charity can become IT literate!

As a registered member of the ALISON Learning Community you can set up a free ALISON ABC IT learner group. ALISON ABC IT is a comprehensive IT skills training programme covering the basic concepts of computing, office applications and practical IT skills such as touch typing.

### ARRANGE A DEMONSTRATION!

If you are an IT Trainer within your charity, or intend to become one, and would like a demonstration of ALISON Manager free of charge, a member of our Trainer Liaison Team led by Maureen Berry would be delighted to help. You will be shown via Web conference how the tool will work for you. Contact Maureen directly at [mberry@alison.com](mailto:mberry@alison.com).

For further information on this latest free offering from ALISON, including ALISON Manager and ALISON ABC IT, please contact [training@alison.com](mailto:training@alison.com).
