Taking the Hassle Out of Finding a Dog Walker

Happy Paws is a dedicated team of dog owners and dog lovers. We know how stressful it can be finding a trusted walking service. One you can rely on. That's why, in addition to our regular walkers, we also have a bank of occasional walkers to call on whenever needed. So if we say we'll be there, we'll be there!

An Exercised Dog is a Relaxed Dog

Dogs that get regular exercise are more likely to be relaxed and happy. Sometimes, our lives are so busy that we don't have time to give our dog the exercise he needs and deserves. It's not always possible to walk your dog after a full day at work, and that's where *we* come in.

We Care

A dog is a special part of the family and we want you to feel confident about entrusting *your* special family member to our care. Every one of us at Happy Paws has extensive experience with owning, or looking after dogs of all breeds, temperaments, and sizes. Some of our walkers are regular dog foster parents or rescue centre volunteers.

Group Walks

We walk dogs in groups of up to five dogs per walker. One of the benefits of a group walk is the lower cost, but more importantly, we find that most dogs really enjoy the company!

Block Bookings and Discounts

We understand that dog walking costs can mount up, so we have a 15% discount for block bookings paid in advance. If you have two or more dogs being walked together, you will qualify for an additional 15% discount. [Click here](#) to see our current price list.

Pick Up and Drop Off

Your dog will be collected and dropped off in one of our unmarked vehicles. We never use marked vehicles because this alerts people to the fact that nobody is home. We then collect any other dogs still to be picked up and drive to the closest and most suitable location for dog walking. This is normally a park, woodland, beach, or open countryside.
