

Activity 2: What Concerns Do You Have?

Time: 10 to 15 Minutes

Take a few minutes and jot down any concerns you have about investing in cryptocurrency. As you go through this course, reflect back on your concerns. Learning more about the way cryptocurrency works, its present and future applications and the available types can often provide a lot of comfort. As each concern is addressed, go back and jot down a few notes, alleviating your earlier fear.
