

## **Module 8 - Activity 2: Visit Reddit**

*Time: 10 to 15 Minutes*

There is no doubt that Reddit is home to one of the most active cryptocurrency communities on the internet. There are several sub-Reddits that can be a valuable source of information about cryptocurrency, as members repost articles, news pieces and personal advice for the benefit of other users.

Spend some time browsing various sub-Reddits that deal with cryptocurrency. Make a list of a few that have members who frequently post reliable information, to visit once you begin interacting with cryptocurrency.
