

# Lesson 6: Money & Price

## Module 4 – Extending Your Vocabulary

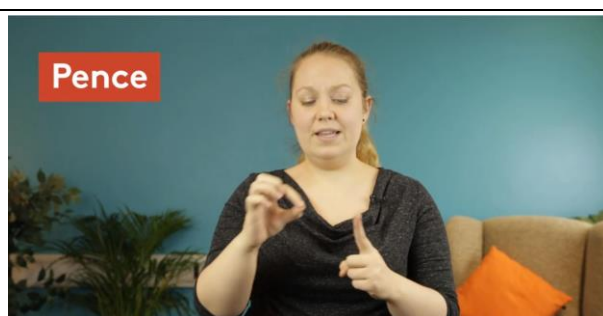

### Pounds (£)

#### How To Make This Sign

- **Pounds (£):** Similar to the sign for the letter 'L', place 1 finger (index) onto the palm.

### Pence

#### How To Make This Sign

- **Pence:** Fingerspell the letter P.
  - **P** - With your thumb and index finger on your dominant hand, pinch the top on the index finger on the other hand creating a 'P' shape.

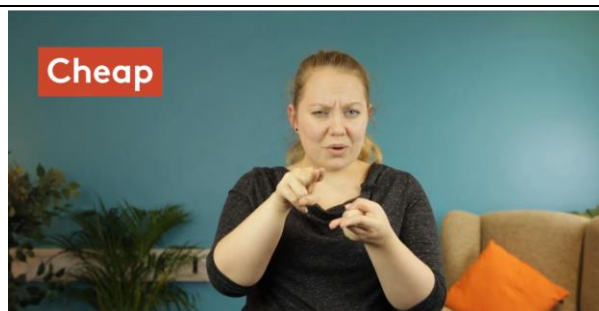

## How much? (Price)

### How To Make This Sign

- **How much? (Price):** Pretend that you're holding a credit card and tap it on your palm.

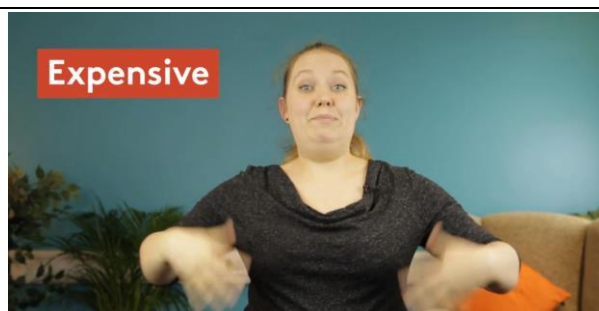

## Cheap

### How To Make This Sign

- **Cheap:** With index and middle fingers extended and together on both hands, bring one hand above the other. With the hands facing each other, bring them together (like you're squeezing down the price).

## Expensive

### How To Make This Sign

- **Expensive:** Shake your hands (as if you were shaking them dry, or you touched something too hot). Use your facial expressions to show how expensive you thought it was.
