LEGO WITH MUM

Joe

I can't how to do it

Megan

The hat, put the hat on – try like that –is that it?

Joe

No. That can't fit on it

Megan

I think the red one goes on here Joe

Joe

What does it go?

Megan

Yeah, yeah

Joe

What do that go ... Does it go there

Megan

I think it goes under the man

Joe

Does it go there?

Megan

No, I think the man has to come off, the man and the wheel have to come off ... whoops ...

Joe

What does it go

Megan

No that was right, put put put the red one back on ... and the other red one

Joe

What way that go, there?

Megan

Yeah

Joe

What do that go

Megan

Well, what do you think?

Joe

What about there?

Megan

OK. Push really hard, that's it

Joe

I can't do this lego

Megan

I push hard for you ... it is hard isn't it?

Joe

What about that one ... oh oh oh

[Sings]

Megan

Where's the wheel gone, where did you put the wheel?

Joe

There, what do the driver go? There

don't go there?

Megan

Um probably about there. Ah I dropped it. That's it, shall I push it hard for you, yes it's hard isn't it, it's 'cause it's new, there you are

Joe

It go there? What's that?

Megan

What's that?

Joe

Yeah, what are we making?

Megan

It will be this won't it, it will be the engine

LEGO WITH BROTHER

Owen

Need the part Joe's got and the wheels

Megan

If you give Joe the yellow bits Owen, because he knows how to put those on the wheels I think, no no

Owen

I'll put these on ...

Joe

[Shouts] Let's go and make that

Megan

You want to make that, can you find the wheels then Joe

Owen

Joe find four wheels ... need to put this

one on

Joe

I want how to do it ...

Owen

Put one wheel on

Joe

Oh, I can't how to do this lego

Owen

Um something's fallen ... on the floor

Megan

Pick it up then Owen in a minute it's near you, then put that on, pick it up first, put that on the table, got a wheel then Joe ... Owen look what about this ...

Owen

Oh look ...

Joe

Where that ... do that go?

Megan

Where does that wheel go?

Joe

Yeah

Megan

Ask Owen

Joe

Where do that go?

Owen

It goes on here Joe, can I have it please, thank you. Joe can you pass it to Owen, good boy

Joe

And then there's a engine

Owen

Not yet, not yet Joe

Joe

I need a engine

Owen

Joe we don't need it yet. Joe can you give Owen the engine please?

Joe

You have to share ...

Megan

Owen

Owen

Yeah, that's me ... yeah

Megan

Which bit are you doing? Right

Owen

Done the front bit

Joe

What about ...

Megan

Give Joe chance to push some on because he might ... to do it ...

Joe

What about

Joe

What about that digger?

Owen

Joe

Joe

Yes

Owen

Can you do this for Owen ... push that there, push it down ... Is there anything else Mum, because not everything is here

Megan

What are you looking for?

Owen

That bit

Megan

Is it on the floor? Here it is I've got it

Owen

Thank you

Megan

Where's the man Joe

Joe

It's there

Megan

Put him together, where's his legs

Owen

There's his hat

Joe

I can't find ...

COOKING WITH DAD

Philip

What we going to put out first?

Joe

Um, margarine

Philip

Margarine, okey dokey, we need a hundred grams of this

Joe

Yeah, we have to mix it?

Philip

Yup. Do you remember we have to cream it together with the sugar

Joe

Cause it's too hard, I can't how to do it, 'cause it's too hard,'cause it's too hard ...

Philip

Not enough

Joe

Cause I can't know to do it

Philip

Too much, Delia Smith always gets it right first time there we go. Leave the scales alone please let me ... Here's the margarine ...

Joe

Yeah, are we have to mix it?

Philip

Yes what we do is chop it up first a bit, small bits, nice and soft, OK, now can you remember what we put in next?

Joe

Yeah, we put in in egg

Philip

No not yet

Joe

Sugar

Philip

Sugar yup

Joe

And we have to mix it

Philip

Yeah

Joe

In there

Philip

Yeah

Joe

I have to take take it?

Philip

OK can you tip it in then please. Very good, now mix them all up together, tip it all in, that's it. Good. Scales ... that's it you have to mix them together, shall I hold the bowl?

Joe

It's too hard

Philip

Is it, do you want me to start it off for you?

Joe

Yeah, it's too I can't how to do it, 'cause it's too hard ...

Philip

Once it gets soft

Joe

Yeah

Philip

If you push the spoon down like it's a bit easier then, see, now does Joe want a go now?

Joe

Yes

Philip

There we are, now you have a go

Joe

Mix

Philip

Are you having a crafty lick?! Come on!

Joe

Eggs!

Philip

Yup, how many eggs?

Joe

Two

Philip

Ahh ahh

Joe

And you don't need no more?

Philip

No just two. There we are

Joe

Now you broke it now

Philip

Yeah I know well we have to get it out the shell

Joe

But I need that

Philip

Right can you mix them together ... what have I done? Use that spoon to mix them together

Joe

I can how to do it

Philip

Good. OK move that bowl to one side, let's move the scales over here ...

Joe

And you need a fork

Philip

Not for a minute. Now can you, if you, can you tip the eggs in for me please and we'll start mixing them together a bit. That's it, good OK. Good. OK are you going to have a stir

Joe

Yeah, I need to do it

Philip

Go on then

Joe

It's too harder

Philip

Keep going

Joe

I can't how to do it

Philip

That's it keep going

Joe

Cause it's too harder

Joe

Yesss

Philip

It looks messy doesn't it?

Joe

You need a

Joe

Yes ... you need a driver [mixer!]

Philip

No we won't use the mixer today

Joe

Yes, we need

[Fade out]

Philip

Now do you want to tip some flour in here Yeah For me please, OK

Joe

Yeah

Philip

For me please, OK

Joe

I need a spoon

Philip

Just gently

Philip

Tip it up, that's it ... whoa, whoa, whoa!

Joe

I need a spoon

Philip

I'll give you a fresh wooden spoon in a minute. You've put a little bit too much in there, hold on, can you put some back in the packet please, no don't stir it just put it from the bowl into the packet, because we've got a bit too much in there. There you go. Right now can you remember what we do with this before we put in the cake. In here. Hold on

Joe

Can I put this in there?

Philip

Yeah, we're going to put the flour in there aren't we, give this a bit more air ...

Joe

Now you need the cakes? I need some flour ...

Philip

OK are you going to do that? That's it, just put in. OK stop for a minute. Just fold this in carefully. Do you remember what this is called, it's called a sieve isn't it? OK can you put in some more flour please?

Joe

Mmmm

[Fade out]

Philip

Does this look ready to put in the cases?

Joe

Yeah, it's my turn

Philip

Hold on, hold on, don't use that, I'll get you a spoon, all right

Joe

I need a, I want that one ah, ah

Philip

Use this one

Philip

That's it, good boy, don't lick it every time ... OK Don't keep licking it, OK do the next one now, that's it, good boy, put a splodge in each then we'll go round again. That's it. Don't keep picking it otherwise we won't have enough to cook. Stop eating it mate. Come on keep going, you're doing a grand job. That's it.

Joe

That one?

Philip

Yup please ...

Joe

Move your fingers ...

Philip

Sorry, I was just holding the cup paper paper case still. Joe. You keep on eating it, we won't get enough cakes to make. There we are let's put dob in there. It's a bit sticky today isn't it?
