

Module 9 - Activity 1: Examine Your Investment Needs

Time: 10 to 15 Minutes

Take 10 to 15 minutes and write down your investments hopes, wishes and needs. Are you the type of person who is limited by finances or time? If so, write down the restrictions you have when it comes to choosing a type of currency.

Do you have a certain amount of money you want to make when investing? Do you need to have instant access to information regarding your funds?

Thinking about your investment needs now, before you start to contemplate which currency to choose, can help make your transition into the cryptocurrency investment market much easier.
