

Niche Results/Direct Business Owner

Hey, my name is [name], I'm calling from (your company), who would be the best person to speak with that handles your new customer referrals?

NOTE: Oftentimes it's best to contact businesses where the business owner most likely will answer the phone. (*home services - painters, plumbers, home remodeling etc*)

Speaking To Decision Maker:

Hey, my name is [name], I'm calling from (your company), we specialize in getting [niche] new customers on demand. We've helped x [niche] client generate [amount of customers generated] in the first [timeframe in days] of us working together.

I was wondering if you would be interested in meeting with me for 15 minutes so I can share my unique method with you?

How's [day and time]?
