## **A Place at the Table: Participating in Community Building**

<http://www.cas.usf.edu/lis/a-librarian-at-every-table/libraries.html> (accessed Feb. 23/08)

This website by Kathleen de la Peña McCook, Distinguished University Professor of Library and Information Science, University of South Florida, provides a discussion of comprehensive community collaboration, service integration and the national movement on building community.

## **Asset Based Community Development Institute** (accessed Feb. 23/08) [www.sesp.northwestern.edu/abcd](http://www.sesp.northwestern.edu/abcd)

The Asset-Based Community Development Institute (ABCD), established in 1995 by the Community Development Program at Northwestern University's [Institute for Policy Research](#), is built upon three decades of community development research by [John Kretzmann](#) and [John L. McKnight](#).

## **Canadian Rural Partnership: Asset Mapping: A handbook**

[http://www.rural.gc.ca/conference/documents/mapping\\_e.phtml](http://www.rural.gc.ca/conference/documents/mapping_e.phtml) (accessed Feb. 23/08)

Developed by Tony Fuller, Denyse Guy and Carolyn Pletsch, this handbook describes three possible approaches to community asset mapping within rural communities. Within this context,, assets are defined as popularly recognized attributes and advantages of a community. They are considered essential for the maintenance of rural life and vital for the sustainability of the economy, society and environment in rural **Canada**.

## **City of Calgary Community Assessment Handbook.** [www.calgary.ca](http://www.calgary.ca). Click on City Hall/

Business Units/Community and Neighbourhood Services/Publications, Guides and Directories, then scroll down the left panel and click on Community Assessment Handbook. (accessed Feb. 23/08)

This manual describes the key elements and process for conducting a community assessment from beginning to end. It provides a framework and tools for actively learning about a community's needs and strengths and then setting priorities.

## **Community Information and Services for Australians**

[www.community.gov.au](http://www.community.gov.au) (click on community development) (accessed Feb. 23/08)

This site contains many links to sources of information on community development, building social capital, sustainable communities, community networking, business and community partnerships.

## **Community Empowerment Training Modules** by Phil Bartle, Ph.D.

<http://www.scn.org/cmp/modules/a-mod.htm> (accessed Feb. 23/08)

These training modules contain basic texts, model forms, short handouts for workshops, and notes for trainers. Each module has a single topic, with different documents in it for different actors or purposes.

## **Community Tool Box** <http://ctb.ku.edu> (accessed Feb. 23/08)

The Community Tool Box is the world's largest resource for free information on essential skills for building healthy communities. It offers over 7,000 pages of practical guidance in creating change and improvement.
