

# Core Excel Skills for Accountants and Financial Professionals

Thank you for selecting this course. My name is Paula, and I am your instructor. I hope you are ready to get stuck in.

Believe it or not, many of the skills you will acquire in this course are seriously lacking in the Finance and Accounting Industry. So, Congratulations on taking this first step as completing this course puts you ahead of the curve.

Before we start, below you will find links to additional resources that will help you get a deeper understanding of some of the topics covered in this course. You will also find workbook in the course resource section. Make sure you practice along with the examples; it is the key to making sure you understand.

I also hope that you will join the Excel Community, Excel for ALL. In here you can get all of your Excel questions answered and you can network with others.

Feel free to also subscribe to my [Youtube Channel](#) as my goal is to help you Excel in Excel 😊

If you have spare time, I would love you to also drop by my [website](#), maybe even join in on the comments on some of the [blog posts](#).

Finally feel free to follow me on social. [Twitter](#), [Linkedin](#)

Thank you again for selecting this course. Now I have a favour to ask you. Will you please share it and leave a review? Reviews help courses be found on Alison.com and sharing the course across your social profiles is the best referral I can get. Please share it on Facebook, Twitter, Instagram & Linkedin. Feel free to tag me when you do.
