Who we are & what we do

Paws in the City is a dedicated team of dog owners and dog lovers. We get to know your dog and match him or her with the ideal member of our team. For your peace of mind all our walkers are trained in first aid for dogs and carry first aid supplies with them. We offer a premium one-to-one walking service and we will not walk your dog with dogs from other households unless it is specifically requested

First Aid Trained

FOR YOUR PEACE OF MIND

Your dog's safety is always our team member's first priority and we will never do anything to put your dog in harm's way. However, we all know that occasionally accidents do happen. That's why all our walkers are trained in first aid for dogs and carry supplies with them

'Matching'

EVERY DOG IS DIFFERENT!

Different dogs have different needs according to age, breed, health etc. Because we want your dog to have the best possible experience, we match him to the most suitable team member. Energetic dogs are matched with an energetic team member, for example!

Regular Walks

INCLUDING WEEKENDS

We are available from 8 am until 8 pm Monday-Friday, and 8 am until 4 pm Saturday & Sunday. We also have team members available over the main holidays including Christmas. Walk schedules can be booked in advance and discounts apply for long-term bookings

One-to-One Walks

ENSURING YOUR DOG GETS THE BEST CARE

Many dog walkers walk 5 or more dogs together, all from different households. We don't believe that it's possible to cater for a dog's individual needs when walked with multiple others. Therefore in most circumstances we walk dogs on a one-to-one basis

Free Doggy Massage

OPTIONAL 5-MINUTE MASSAGE

Studies have shown that dogs benefit from massage in the same way that people do! Our walkers are all trained in dog massage therapy. We can return your dog home 5 minutes early for a 'winding down' massage, helping her to feel relaxed until you return

Free Treats

HEALTHY TREATS WITH YOUR PERMISSION

With your permission, we like to give the dogs a few healthy treats while out walking. We have a selection of chicken, liver, or salmon treats. As well as hypoallergenic, low calorie, and vegan treats. Just tell us what your dog prefers :)

We won't let you down

We know that being reliable is very important. When you book a dog walk with our team, we guarantee not to let you down. If your scheduled walker is ill or has an emergency and can't make it, we will send one of our other experienced team members instead.

FAQ's

Q. Do you have discounts for multi-dog households?

A. Yes. If we are walking two or three dogs together from the same household, you will qualify for a 25% discount.

Q. How do I know I can trust the walker with my house keys?

A. Our walkers are thoroughly vetted, which includes carrying out an official background check before being accepted onto the team.

Q. Do you allow dogs off the lead?

A. We do not normally allow dogs off the lead. Your dog's safety and well-being is our number one priority. However, we do have a few older, quiet dogs, who are allowed off the lead. You are welcome to discuss this possibility with us.

Q. How long do walks last?

A. Walks are either 30 minutes, or one hour long.

Q. Where will my dog be walked?

A. *We will walk your dog as close to your house as possible. Depending on where you live, this will either be a park, or countryside.*

Q. How do I make a booking?

A. [Get in touch](#) to arrange a home visit so that we can discuss yours and your dog's requirements. We always like to meet your dog first so that we can match him up with the walker most suited to his needs
