40	Water (liters per person)	3	1.5		3		
41	Whistle	1	1	1	1	1	1

**NOTES:**

1. Each liferaft equipped for 13 persons or more must carry two of these items.
2. Not required for boats of self-bailing design.
3. Not required for inflated or rigid-inflated rescue boats.
4. A hatchet counts towards this requirement in rigid rescue boats.
5. Oars are not required on a free-fall lifeboat; a unit of oars means the number of oars specified by the boat manufacturer.
6. Rescue boats may substitute buoyant paddles for oars, as specified by the manufacturer.
7. Not required for a rigid rescue boat.
8. Required if specified by the boat manufacturer.
9. Sufficient thermal protective aids are required for at least 10% of the persons the survival craft is equipped to carry, but not less than two.
10. Required only if the lifeboat is also the rescue boat.
